范文:

Dear Teacher Tom,

I am Li Hua, your student, and I hope to schedule a time with you to practice speaking online. I have always wanted to improve my oral expression skills, and I believe that through practicing with you, I can make great progress.

Firstly, I would like to ask which time period would be convenient for you to practice speaking? I have plenty of time in the morning. If you are free, I would like to practice with you in the morning. Of course, if you have other time periods that are more convenient, I will also try my best to arrange them.

Secondly, I would like to discuss with you a platform for oral practice. The platforms I currently use commonly include Skype and Zoom, both of which have stable voice and video functions and are suitable for long-distance oral practice. Do you have any suggestions for other platforms? If so, please let me know and I will install and familiarize myself with the use as soon as possible.

Looking forward to your reply, we hope to schedule a time as soon as possible and start our oral practice. Thank you very much for your guidance and support!

Best wishes,  
Li Hua
